Rosehips and Tomatoes

Do you have a glut in the garden? Don't
know what to do with all those courgettes and
green tomatoes?

I'm looking for fruit and veg I can turn into
jams, chutneys and cakes to sell for charity at
the Christmas Fair. You would be surprised at
what you can make cakes from!

If you have a lot or a little to spare, please let
me know. Also I am always on the lookout
for rosehips to make rosehip syrup, which
is apparently very good for arthritis and in
demand in the village. If you're cutting back
your roses, please consider keeping the hips
for me.

Many thanks!
