- 4. Open Forum for members of the public**  
There were no comments or questions from the public but TC asked Cllr Laughton about the issues with the silver trees. The proposed work resulted from the trees being identified as dangerous. The Parish Council had been emailed about the work but had obviously not received the email, but it didn't ask for approval or comment it merely informed. The council were unable to carry out the work to public reaction so left but they would return after informing neighbouring properties of the work to be done and the reason for it.
